

Pursuant to the Fair Political Practices Commission (FPPC), which adopted regulation 18944.2, "state and local government agencies are required to disclose payments made to the agency when payments provide a personal benefit to an official of the agency. Examples may include travel, meals, and other benefits. Under certain circumstances, these payments will not result in a gift to the official, but will be considered a gift to the agency."

In accordance with 18944.2, subsection (C) (3) (F), "the filing officer shall post a copy of the form on the agency's web site." In addition to the forms posted on the internet, hard copy/printed versions of the forms may be requested from the City Clerk's office, located at City Hall.

Additional information regarding Gift of the Agency is available on the FPPC [website](#) .
